FAQ

Q - How do I get there?

A - We are located just a 5 min walk from Central station. Easy!

Q - How old do I need to be?

A - Students must be at least 16 years of age.

Q - Can I still dance with my current dance studio if training at Dargie fulltime?

A - Absolutely! Unlike other courses, we encourage students to stay at their current studio after hours if they wish. We don't believe in breaking that special bond!

Q - How many students will there be in the course?

A - Unlike other fulltime courses we do not have too many enrolled students. Dargie Fulltime is all about individual attention. We believe that packed classes are not an ideal learning environment. We have a capped number of students and for many styles, students will be split into skill level so that everyone can develop their skills to their full potential.

Q - Do you have performance opportunities available?

A - We do offer performance opportunities e.g Charity fundraising events. However, we do not believe in offering the services of fulltime dance students as free labour to corporate clients. This is something that should remain a professional paid job for industry dancers. We want our students to graduate into an industry with lots of paid professional work available, not an industry where past paid work is taken by students doing it for free. There are ways for students to gain performance experience without contributing to ruining the Sydney professional dance industry. Some students may even be chosen for PAID professional gigs through Dargie Agency, while still training at Dargie fulltime.

Q - Will students have the opportunity to be considered for the Agency?

A - Yes, there will be several opportunities throughout the year where students will audition for Dargie Agency.

FAQ

Q - Do I have to sing?

A - We have 2 streams of training – Dancer/Singers and Dancers. If you are not a singer, you can take the general singing class and elect dance as your major, concentrating your time on training to be the best dancer you can be. If you'd like to focus more on vocals, we have a vocal major program. The aim is to have the best possible chance of employment in the entertainment industry when you graduate.

There is also the option of musical theatre repertoire classes so that 'dancers who can sing' can prepare various audition pieces for future auditions and course mock auditions.

We recommend that students taking the 'Singer/Dancer' or 'Dancer/Singer' stream have a private singing lesson every week. We can recommend private teachers.

Q - What facilities do the studios have and what is the surrounding area like?

A - Our building boasts 3 studios with mirrors, barres, dance flooring and air conditioning. The facility also contains reception room, waiting area, agency office and kitchen facilities.

The studio is outside Broadway Shopping Centre, opposite beautiful Victoria Park and only 2 shops from the vibrant Glebe Point Road cafe district. It really is a beautiful place to come and study.

Q - Do you run Circus Classes?

A - Yes! We believe in training dancers to be versatile. We have advanced acrobatics classes, contortion elective, circus apparatus workshops and even aerial circus classes available in Lyra and Silks (aerial classes incur additional cost). These specialised classes fill up quickly so book in early.

TESTIMONIALS

My Time at Dargie fulltime was an amazing experience. Before Joining I felt a bit lost with dance and wasn't sure what path I wanted to take as I didn't know my options, and now it is clear to me what path I am taking after the knowledge and new skills I've learnt. Not only did Dargie Fulltime help me mature and grow into a professional dancer, but I have made so many great friendships along the way. It really is one big family, the ongoing support of your classmates and especially the Dargie staff is incredible, even after finishing the course.

I graduated with a lot more confidence, strength and experiences, for that I am forever grateful. I can honestly say that it will be your best decision to join as I know it was definitely mine. Truly life changing.

Leah Sinead, 2022 Graduate, graduated with a contract on Princess Cruises, now working for Royal Caribbean Cruise Lines

Spending 2 years fulltime at Dargie allowed me to grow as not only a performer but as a person. By the end of 2021 I had achieved both my Diploma of Dance (Elite Performance) and my Advanced Diploma of Dance. During 2022 I continued to dance Fulltime whilst also working as a paid professional at many gigs throughout Sydney and Melbourne as well as in TV shows on Stan and Paramount Plus.

For me personally, the atmosphere created at Dargie fulltime was one that while it was fun it was also challenging but most importantly like family. Everyone lifts each other up and supports one another wholeheartedly. I am so glad I chose to study at Dargie.

Being mentored by Ben, Betty and the whole faculty has been an extremely positive, supportive and rewarding experience which has also equipped me substantially for my career in the Industry, for this I am forever grateful. Without their ongoing encouragement and guidance, I would not be half the performer/person I am today.

Coming into Dargie Fulltime, my goal was to gain a position in Dargie Agency. This was achieved in 2021 and I have continued to evolve, including achieving my next goal which was an international dance contract with Norwegian Cruise Lines. I walked into Dargie Fulltime in 2020 as a young 16-year-old dancer and walked out in 2022 a fully qualified professional touring the world in a career I love.

Brooke Spiteri, 2022 Graduate, graduated with a contract on Norwegian Cruise Lines

Participating in the DARGIE Fulltime program was a transformative experience. The rigorous training across various dance styles, combined with a focus on artistry, strong foundational technique, professionalism, and on-the-job attitudes, has opened doors to professional performance contracts both locally and internationally, as well as numerous corporate gigs. I am truly grateful for the support and guidance I received, which has been instrumental in my success in the performing arts industry.

TESTIMONIALS

Say yes to Dargie Full-time! If you dream to get into the industry and want the best possible chance at being a proper professional performer, then Dargie Full-time is the only way to go. On the job, I am constantly learning more and more. But, studying at Dargie Full-time gave me a head start with so much knowledge about the professional world. Being guided by the Directors, Ben Murray and Betty Dargie, I've had the best training in Sydney! No matter what avenue you want to take, Dargie Full-time will get you prepared and ready!

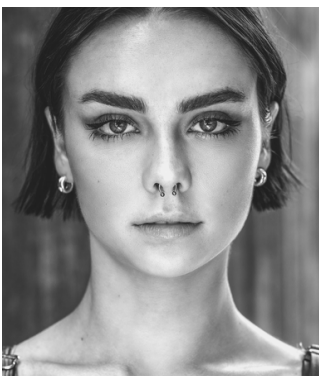

Logan Grant, 2021 Graduate
Royal Caribbean Cruise Lines
The Michael Jackson Legacy Tour (Dance Captain)

I recently graduated from Dargie fulltime with an Advanced Diploma of Professional Dance (Elite Performance). I had an amazing experience at fulltime! I made life long friends and was provided with plenty of opportunities to help me grow both as a performer and a person. I came into fulltime as a shy individual with a lot of ballet training and never having done commercial jazz. I was so scared to step out of my comfort zone, however, the environment was so welcoming and supportive, I felt safe to do so. I was pushed to my limits but am so grateful for this as it allowed me to develop my confidence and style as performer.

The course directors, Ben and Betty, are dedicated to supporting each individual and cater the training provided to suit their students needs. They are invested in our futures and provide us with the industry knowledge and tools needed to thrive in the dance industry. I truly loved my experience at fulltime and am so grateful for everything I gained from it!

Mim Jackson, 2022 Graduate, graduated with a contract on Sydney Showboats, then went on to work a contract for Vegas Showgirls Germany, has recently accepted a new contract with La Nouvelle Eve in Paris

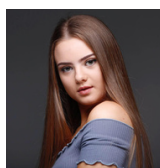

My two years at Dargie Fulltime were the most rewarding and beneficial training years of my dance career so far. The guidance and mentoring from Ben, Betty and Rachel are values that I carry throughout my work and even personal life. The environment at Dargie is the best place to learn and develop as a dancer and a person, and I would recommend any inspiring dancer who wants to be pushed outside of their comfort zone and grow exponentially, to train with Dargie. I am forever grateful for my time here and the incredible people I have in my Dargie family.
